KOLLEKCIÓ COLLECTION

Kifinomult, elegáns, stílusos – az A CASA hidegburkolat kollekción homogén felületű padlólapok és fali csempék, valamint változatos mintázatokkal díszített dekor csempék gyűjteménye. Az attraktív, enyhén fémes hatású motívumok éppúgy elérhetőek, mint az üde, virágos rajzolatok. Az egyedülálló összeállításban megtalálható további díszítő elemeknek és a grandiózus méretű dekoroknak hála a kollekción túlmutat a megszokott megoldásokon. Az A CASA burkolatok megkülönböztetnek, időtlen stílust adnak és szépséggel ruháznak fel minden otthonot, miközben olyan látványt biztosítanak, melybe minden nap újra és újra beleszeretsz.

Sophisticated, elegant, stylish - A CASA is a collection of floor tiles and wall tiles with a homogeneous surface, as well as decor tiles decorated with various patterns. Attractive motifs with a slightly metallic effect are available as well as fresh floral designs. The unique composition includes additional decorative elements and grandiose-sized decors, so that the collection goes beyond traditional solutions. A CASA coverings are distinctive, give a timeless style and endow every home with beauty, they provide a view that will make you fall in love again and again every day.
